

28th September 2018

Dear Parents/Carers

You may or may not know that FSG has a long standing Old Girls Association, which brings together former pupils of The Folkestone Grammar School for Girls and The Folkestone Technical High School for Girls, now united as The Folkestone School for Girls. Members of the association range in age from late Nineties to Eighteen.

You will, however know that Mark Lester has broken the mould in becoming the first male Headteacher of the school, following in the footsteps of those illustrious ladies who have gone before him, starting with Miss Edith Ewart at the beginning of the 1900s.

Mark has kindly agreed to be the guest speaker at our Annual Dinner this year at Eastwell Manor on Saturday 6th October 2018 at 7pm (full details of the event attached in case any of you would like to join us) - you would be very welcome. After all pupils, staff, parents and old girls are united in their wish for the school to go from strength to strength and we all hope that every pupil will have the opportunity to work well, to achieve well and go on to lead a happy and fulfilled life.

The Old Girls Association supports the school in many ways, including donations to several memorial trusts, prizes for prize giving days and we have even donated to Mark's beloved cycle track!

You don't have to be an Old Girl or even an Old Boy to enjoy the evening, we would love to meet you. Just contact Eastwell Manor to book.

Every good wish

Patricia Kennedy
(Old Girls Committee)

Folkestone School for Girls Old Girls Dinner

At Eastwell Manor, Ashford on
Saturday, 6th October 2018
