

November 2017

Dear Parents/Carers

Open Evening for Prospective Sixth Formers

I would like to extend a warm invitation to our Open Evening for Prospective Sixth Formers on Thursday 30th November 2017 from 5.30pm to 8.00pm.

There will be a presentation in the Main School Hall at 5.45pm and during the course of the evening you will have the opportunity to attend subject presentations by Directors of Learning. Staff will be available to answer questions on an individual basis and give you additional information about their subject specialities.

It is very important that your daughter finds out as much about a subject as possible before she opts to take it on in the Sixth Form and that she discusses with her teacher and/or the Director of Learning her suitability for the course. The aim of the Open Evening is to raise awareness of the many and varied opportunities available to students in the Sixth Form at The Folkestone School for Girls and also help your daughter to make informed decisions about her courses of study next year.

I look forward to seeing you on the 30th November.

Yours sincerely

Mr M Buckley
Assistant Principal Key Stage 5
