

# Post-results services and fees: Summer 2024

There are a number of options available if you have a concern about a result.

Here's a quick guide to your main options: requesting a **review of results** or getting hold of a copy of a marked exam paper (**access to scripts**). If you still have a concern after this, exam boards have an appeals service.

Students should speak to their subject teacher, a member of SLT or the exams officer about post-results services.

All post-results services must be requested via the school by the candidate

We are unable to process requests unless you have:

1. spoken to a member of teaching staff or SLT
2. completed a consent form on our website
3. paid the correct fee via Wisepay when requested
4. met all deadlines

Please remember: **grades can go down, stay the same or go up** when you request a review of results service.

## Services Explained

### Access to scripts

**Access to Script - Priority** – A PDF copy of the original marked script to help you decide whether to request a review.
