

Dear Parent/Carer

27th January 2025

Y10 Face-to-Face Parents' Evening – Thursday 13th February - Appointment Booking

I would like to invite you to attend our **Face-to-face Year 10 Parents' Evening on Thursday 13th February from 16.00-19.00**. This is a particularly important evening, as it provides you with the opportunity to discuss your daughter's progress in their GCSE subjects with each of their class teachers.

Whilst the appointments will be face-to-face in school, the appointments themselves will still be bookable through the Parents' Evening booking system. The booking system works as it always has; you will be able to choose your own 5-minute appointment times with teachers, and in addition, you will receive an email confirming all your appointments.

On the week of the Parents' Evening, we will send you a map of the layout for the Main School Hall and other locations used for Parents' Evening so that you can easily find the correct teachers; these will also be on display upon arrival. These are collaborative events, and as such we would prefer whenever possible for you to bring your child along to take part in these discussions. We will be serving tea/coffee on the evening, but we are unable to offer parking on the night. If you have any mobility issues and need a reserved parking space, please contact the Main School Reception and we will organise this.

Appointments can be made online at any time from 07:30am on Monday 3rd February. From experience, appointments book quickly, so accessing the booking system is advisable. The window for bookings will close at noon on Wednesday 12th February. Should you wish to make any changes after this date please contact the student development leader for Year 10, Mrs Lennon HLennon@folkestonegirls.kent.sch.uk

To book your appointments, please visit <https://folkestonegirls.parentseveningsystem.co.uk> and login with the following information:

Parent title

Parent first name

Parent surname

Parent email address

Student's Surname

Student's Date of Birth

Please note that for the parent contact details, it is the contact details we have on our SIMs system that needs to be used to be able to log in. For example, in some cases there may only be one main parent contact indicated, this would be the details needed for log in.

Should internet access be unavailable, please contact Mrs Lennon who will be happy to add appointments on your behalf.
